DETAILED ACTION

This office action is a response to Applicant's amendment submitted November 19, 2009, wherein claims 1, 3, 5, and 11 are amended and claim 10 is canceled.

Claims 1-9 and 11 are pending and are examined on the merits herein.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Gamson on January 27, 2010.

The application has been amended as follows:

In the second line of claim 1, replace "monochlorocarboxylic acid" to "a halogenoalkylcarboxylate."

In the eighth line of claim 1, which is the first line of step (b), replace "halogenocarboxylate" to "halogenoalkylcarboxylate."

Reasons for Allowance

In view of the cancellation of claim 10, all rejections made with respect to that claim in the previous office action are withdrawn.

In view of Applicant's amendment submitted November 19, 2009, the rejections of claims 3, 5, 10, and 11 under 35 U.S.C. 112, second paragraph are withdrawn. The claims have been amended to clarify which steps are intended.

In view of Applicant's amendment submitted November 19, 2009, the rejection of claims 1-11 under 35 U.S.C. 103(a) as being unpatentable over Verraest in view of Raehse is withdrawn. Applicant's arguments are persuasive. The art of record does not teach or suggest a method wherein inulin is added to an aqueous solution of X-halogenoalkylcarboxylate.

The claimed method is neither taught nor fairly suggested by the prior art, as discussed above.

Accordingly, Applicant's amendment as discussed above is sufficient to remove all rejections made in the prior office action and to place the application in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Monday - Friday, 7:00 - 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
